Hi, Jeff.

Thank you for getting this asset sold for Entertainment Realty, LLC.

I also wanted to express my gratitude to you and Cari for marketing the property effectively. You are both very resourceful, knowledgeable, and you always put your client's first and it showed throughout the entire escrow process.

It was a pleasure to work with both of you. You were both very responsive with timely communication and you kept me updated on every step of the process for ensuring that the transaction closed successfully.

Thank you very much for job well done!

Best wishes and Happy Holidays,

Sari
